Data Dictionary of New, Consolidated NCCPSS Data

Table	Field Name	Data Type	Description	Required or Optional Field Entry
Pss_person	pss_person_id	integer	Unique identifier of individual peers	Required
Pss_person	silver_record_fingerprint	string	Used to track lineage of data migration	
Pss_person	record_source	string	Used to track lineage of data migration	
Pss_person	match_tier	string	Tells us what field the row was merged based on (i.e. email, first name, last name, etc.)	
Pss_person	match_confidence	string	Confidence in the accuracy of the match	
Pss_person	email	string	Email address of individual peer; contact information	
Pss_person	first_name	string	Last name of individual peer	
Pss_person	last_name	string	First name of individual peer	
Pss_person	dob	date	Date of birth	
Pss_person	zip_code	integer	Zip code of home address	

Pss_person	silver_created_ts	date/time	Date of merging	
Employment_snapshot	emp_snapshot_id	string		
Employment_snapshot	pss_person_id	integer		
Employment_snapshot	cert_event_id	string		
Employment_snapshot	snapshot_date	date		
Employment_snapshot	employed_as_cps	boolean		
Employment_snapshot	employment_status	boolean		
Employment_snapshot	employer	text		
Employment_snapshot	hourly_rate	integer		
Employment_snapshot	hours_per_week	integer		
Employment_snapshot	years_employed	integer		
Employment_snapshot	months_employed	integer		
Employment_snapshot	time_employed_as_pss	integer		
Employment_snapshot	county_residence	string		
Employment_snapshot	county_employment	string		
Employment_snapshot	seeking_pss_employment	boolean		

Employment_snapshot	employed_in_related_field	boolean		
Employment_snapshot	hourly_wage_related_field	integer		
Employment_snapshot	years_employed_related_field	integer		
Employment_snapshot	volunteer	boolean		
Employment_snapshot	hrs_employed_rf	integer		
Employment_snapshot	hrs_employed_ps	integer		
Employment_snapshot	student	boolean		
Employment_snapshot	source_system	string		
Employment_snapshot	source_record_id	integer		
Employment_snapshot	source_extract_ts	date/time		
Employment_snapshot	gold_created_ts	date/time		
Certification_event	cert_event_id	string		
Certification_event	pss_person_id	integer		
Certification_event	event_type	string		
Certification_event	event_date	date		
Certification_event	cert_status	text		

Certification_event	certificate_number	string		
Certification_event	application	string		
Certification_event	track	string		
Certification_event	mod_state	string		
Certification_event	expertise	string		
Certification_event	notes	string		
Certification_event	source_system	string		
Certification_event	source_record_id	integer		
Certification_event	source_extract_ts	date/time		
Certification_event	gold_created_ts	date/time
