

Data Dictionary of Existing NCCPSS Data

*Red fields indicate columns that will not be included in final database

Source Name	File Type	Field Name	Data Type	Description	Required or Optional Field Entry	Format
PSS Registry	Microsoft Access	ID	integer	Unique identifier of individual peers	Required	
PSS Registry	Microsoft Access	Last Name	string	Last name of individual peer	Required	
PSS Registry	Microsoft Access	First Name	string	First name of individual peer	Required	
PSS Registry	Microsoft Access	Address	string	Home address of individual peer	Required	
PSS Registry	Microsoft Access	City	string	City of residence	Required	
PSS Registry	Microsoft Access	County	string	Country of residence	Required	
PSS Registry	Microsoft Access	State	string	State of residence	Required	
PSS Registry	Microsoft Access	Zip Code	integer	Zip code of home address	Required	
PSS Registry	Microsoft Access	Date of Birth	date	Date of birth	Optional	MM-DD-YYYY
PSS Registry	Microsoft Access	Phone Number	integer	Phone number of individual peer; contact information	Required	XXX-XXX-XXXX

PSS Registry	Microsoft Access	Email address	string	Email address of individual peer; contact information	Optional	
PSS Registry	Microsoft Access	Veteran	bool	Veteran status of individual peer (True/False)	Required	
PSS Registry	Microsoft Access	Certification Status	string	Current status of certification (Current; Lapsed; Deceased)	Required	
PSS Registry	Microsoft Access	Checklist	bool	TBD (True/False)	Required	
PSS Registry	Microsoft Access	Completed application	bool	TBD (True/False)	Required	
PSS Registry	Microsoft Access	Demonstrated 1 year recovery	bool	TBD (True/False)	Required	
PSS Registry	Microsoft Access	NC certified training	bool	TBD (True/False)	Required	
PSS Registry	Microsoft Access	20 hr training	bool	TBD (True/False)	Required	
PSS Registry	Microsoft Access	Reference form 1	bool	TBD (True/False)	Required	
PSS Registry	Microsoft Access	Reference form 2	bool	TBD (True/False)	Required	
PSS Registry	Microsoft Access	Application fee	bool	TBD (True/False)	Required	
PSS Registry	Microsoft Access	Certificate Number	integer	Certification identification key	Optional	XXXX-XXX-XX

PSS Registry	Microsoft Access	Date of Certification	date	Date the application is approved and certificate is issued	Optional	MM-DD-YY
PSS Registry	Microsoft Access	Date of Current Recertification	date	Date of the most recent recertification (only applies to peers with prior certification)	Optional	MM-DD-YY
PSS Registry	Microsoft Access	NOTES	string	Additional information field	Optional	
PSS Registry	Microsoft Access	Time employed as PSS	integer	TBD	Optional	
PSS Registry	Microsoft Access	Employed as PSS?	bool	Indicates whether applicant is currently employed in the role of a CPSS	Required	
PSS Registry	Microsoft Access	Gender	string	Gender identity of individual peer	Optional	
PSS Registry	Microsoft Access	Expertise	string	Indicates individual peer's focus: MH,SA, MH-SA	Optional	
PSS Registry	Microsoft Access	Education	string	Highest education obtained	Optional	

PSS Registry	Microsoft Access	Seeking PSS employment?	bool	Indicates if applicant is seeking employment as a CPSS	Required	
PSS Registry	Microsoft Access	Hourly Wage	integer	How much an individual peer is paid an hour	Optional	
PSS Registry	Microsoft Access	Employed In Related Field	bool	Determined based on the place of employment reported and applies to individuals working in behavioral health roles other than CPSS. Examples include case managers, therapists, and mental health or substance use professionals.	Required	
PSS Registry	Microsoft Access	Hourly Wage in Related Field	integer	Hourly wage associated with the position reported in the Employed in Related Field section	Optional	
PSS Registry	Microsoft Access	Years Employed in	integer	Number of years the	Optional	

		Related Field		applicant has worked in the position reported in the Employed in Related Field section.		
PSS Registry	Microsoft Access	Volunteer	bool	Selected by applicants who are not currently employed in any capacity, but are engaged in volunteering (True/False)	Optional	
PSS Registry	Microsoft Access	Employed	bool	Indicates that the applicant is employed, but not as a CPSS and not in any of the roles listed under Employed in Related Fields (True/False)	Required	
PSS Registry	Microsoft Access	Hrs Empld RF	integer	Number of hours the applicant works in the position reported under the Employed in Related Field	Optional	

				category		
PSS Registry	Microsoft Access	Hrs Empld PSS	integer	Number of hours the applicant works in the role of a CPSS	Optional	
PSS Registry	Microsoft Access	Hrs Empld	integer	Number of hours the applicant works in a role that is neither a CPSS position nor listed under Employed in Related Field	Optional	
PSS Registry	Microsoft Access	Employed Hourly Wage	integer	Hourly wage for applicants working outside CPSS	Optional	
PSS Registry	Microsoft Access	PSS Employer	string	Employer information of applicants in the role of a CPSS	Optional	
PSS Registry	Microsoft Access	Student	bool	Active student status (True/False)	Required	
PSS Registry	Microsoft Access	County of Employment	string	County where individual peer is currently employed; employer	Optional	

				information		
PSS Registry	Microsoft Access	Ethnicity	string	Ethnicity group of individual peer	Optional	

Source Name	File Type	Field Name	Data Type	Description	Required or Optional Field Entry	Format
Application	Drupal	DUID	integer	Unique peer identifier	Required	
Application	Drupal	NID	Integer	Unique application identifier	Required	
Application	Drupal	Application	string	Indicates which application type	Required	
Application	Drupal	First	string	First name of peer provided in the application form	Required	
Application	Drupal	Last	string	Last name of peer provided in the application form	Required	
Application	Drupal	State	string	Status of Application	Required	
Application	Drupal	DOB	date	Individual peer's date of birth	Required	YYYY-MM-DD

Application	Drupal	Email	string	Email address of drupal user	Required	
Application	Drupal	Track	string	Indicates certification track	Optional	
Application	Drupal	Employed as CPSS	string	Indicates whether they are currently employed in the role of a CPSS	Required	
Application	Drupal	County Residence	string	County of residence	Required	
Application	Drupal	County Employment	string	County where peer is currently employed as CPSS	Required	
Application	Drupal	Employment status	string	Indicates current employment status	Required	
Application	Drupal	Employer	string	Employer information	Required if the applicant has been working as a CPSS	
Application	Drupal	Hourly	integer	Hourly rate for applicants working as a CPSS	Required if the applicant has been working as a CPSS	
Application	Drupal	Hours per week	integer	Number of hours worked per week	Required if the applicant has been	

					working as a CPSS	
Application	Drupal	Years Employed	integer	Number of total years a peer has been employed for	Required if the applicant has been working as a CPSS	
Application	Drupal	Months Employed	integer	Number of months a peer has been employed for	Required if the applicant has been working as a CPSS for less than a year. This can be reported in years and months.	
Application	Drupal	Gender	string	Gender identity of peer	Required	
Application	Drupal	Education level	string	Highest education obtained	Required	
Application	Drupal	Race/Ethnicity	string	Race and/or ethnicity of peer	Required	
Application	Drupal	Address1	string	Line 1 for residential address of peer	Required	
Application	Drupal	Address2	string	Line 2 for residential address	Optional (If needed)	
Application	Drupal	City	string	City of residence	Required	
Application	Drupal	Zip code	integer	Zip code of residential	Required	

				address		
Application	Drupal	State	string	State of residence	Required (Some CPSS reside out of state)
